PetScreen®

BY PHIFER

PetScreen®, vinyl-coated polyester is pet-resistant insect screening that is tear and puncture-resistant to minimize damage by dogs and cats. PetScreen provides good outward visibility and is not harmful to pets.

Gray

Black

TuffScreen®

BY PHIFER

Stronger than traditional insect screening, TuffScreen® is a durable, vinyl-coated polyester that resists tears, punctures and damage from pets and high traffic areas. TuffScreen provides excellent outward visibility. With width options up to 132", it is the perfect choice for use in expanded view openings.

Black

TuffScreen® No-See-Um

BY PHIFER

TuffScreen® No-See-Um is a durable, tightly woven, vinyl-coated polyester designed to stop small insects while offering good daytime privacy. Suitable for retractable systems and ideal for use in patios, porches, windows and doors.

Black

Phifer heavy-duty screen is durable, vinyl-coated polyester insect screening, ideal for use in high-traffic areas. PetScreen is tear and puncture-resistant to minimize damage by dogs and cats and is excellent for use in patios, porch enclosures, windows and doors. TuffScreen No-See-Um is a tightly woven screen designed to stop small insects, and is suitable for retractable systems, and ideal for use in patios, porches, pool enclosures, windows and doors. TuffScreen is stronger than traditional insect screening, and is an excellent choice for patios, porch enclosures, retractable systems, windows and doors.

Microban® antimicrobial protection inhibits the growth of stain-causing bacteria, mold and mildew on the screen.
